Thank YOU.

It's been a super term, filled with Free Play mornings and incredible parties. Our coaches and therapists have had such a great term working with all our amazing schools and eager little movers, from Fungym to little swimmers, Baby-nastix and our remedial clients. We appreciate all the parents' support and dedication so much.

Message from Leoné:
Dear Jolly Tots Kinderkinetics family,

I would like to share some very special news with all of you. We have been on a "babymoon", so many of our clients have not yet seen me in person or in action. Our family is expecting our second little princess, who will be arriving in May. This is such a precious season for us, and we feel incredibly blessed.
I also want to take a moment to thank every therapist who is part of the Jolly Tots Kinderkinetics team. Your dedication, love for the children and commitment to excellence are what makes this space so special. I am truly grateful to work alongside such passionate and caring people.
Above all, I am deeply thankful to our Heavenly Father for blessing us with such an incredible space, the most wonderful families and clientele, and the opportunity to make a difference in the lives of children every day.
Thank you to all our clients for being part of this journey and for helping build something so meaningful together.
If you have any suggestions or questions please do not hesitate to contact me directly-
We can only satisfy your requests if they are brought to our attention.

With gratitude,
Leoné Swiegers

From Miss to Mrs.

Teacher Magdel is entering a new, beautiful phase of her life. She will be getting married on the 21st of March. If she can experience even just half the happiness that she conveys to those around her- she will have a very happy wedded life.

For the time that she is not with us, teacher Maryke and Nic will stand in for her.

Swimming

We have a beautiful indoor facility to accommodate all our little swimmers through the winter and colder months.

Parties

We facilitate at home and The Shed parties. We also do soft play and sensory equipment rentals. Additional catering is also offered! Contact us: parties@jollytotskinderkinetics.co.za

Nicholas Yeo

Nic, we thank you endlessly for all your extra input, and for sharing such a short and special season with Jolly Tots. The team wishes you well and good luck. Due to medical reasons, Nic has had to make the decision to take a break from physical exertion, and first focus on recovery and strengthen up his injury, before giving his 100% for the little ones again. You have played such a crucial role in so many little ones' lives already!
